By Air

Getting to the Keys is easy with several airport options. Key West International Airport offers commercial service on major airlines, while both Key West and Marathon airports provide charter flights, general aviation, and rentals. Visitors to the Upper Keys can also fly into Miami International or Fort Lauderdale-Hollywood International airports, which connect travelers from around the world. For details, including direct flights to Key West, go to VisitFloridaKeys.com/how-to-get-here.

By Land

A leisurely drive from Miami and an opportunity to drive the only designated All-American Road in Florida. Only 30 other roads in the nation have received this highest recognition possible under the National Scenic Byways program. To reach the Florida Keys Overseas Highway, bypass the traffic of the City of Miami by taking I-95, I-75, or FL-836 to The Florida Turnpike, south. Card Sound Road offers an alternate route to Key Largo. Greyhound Bus Lines (1-800-231-2222), The Keys Shuttle (305-289-9997) and Florida Keys Express Shuttle (305-743-7454) serve The Florida Keys, Miami International Airport and Fort Lauderdale-Hollywood International Airport. Greyhound also services Marathon and Key West airports. Once you arrive in The Florida Keys, you may not need a car. In Key West you can park at the Park-n-Ride garage at 300 Grinnell Street in Old Town. You'll do and see more on foot.

By Sea

Sail through America's Caribbean. All channels are well-marked. Marinas abound. And dock space is available. Key West Express: 3 to 3.5 hour daily passenger ferry departing from Ft Myers year-round and seasonal service from Marco Island. 1-888-539-2628 www.keywestexpress.net

A Marker for Every Mile

Down here in the Keys, the Overseas Highway is like our Main Street. And the best way to get around is to know the mile marker of your destination. These little green signs that dot our highway every mile begin just south of Florida City with number 127 and run all the way down to zero in Key West. They're like our addresses. If you know the mile marker of where you're going, getting there is easy.
